## 👤 Profile

I want to obtain a position that will enable me to use my technical skills, explore people, willing to handle any challenges and learn new technologies and skills.

## 📁 Internship

### Oasis Infobyte

#### Web Development Intern

07/2023 - 08/2023

- During Internship my task was to make **Temperature Convertor** and **Landing Page** (WEB APPLICATION) with the help of **HTML, CSS, and JS**.
- It gives me a good experience about Industry work.

### AICTE-EduSkills

#### Virtual Intern

06/2023 - 07/2023

- **AWS Cloud** Virtual Internship.

## 📁 Projects

### Car Rent Website

08/2023 - 09/2023

- This website is using **HTML, CSS** and **JavaScript** to provide end-to-end user-friendly interface to ensure seamless **navigation** and enhanced user **experience**.
- Implemented a online **booking system**, streamlining the reservation process and enhancing customer satisfaction by providing real-time availability, **pricing** information, and **secure payment** options.
- Established a **feedback** mechanism, encouraging customer **reviews** and testimonials to enhance the **website credibility**.

### Flight Ticket Management System

11/2022 - 12/2022

- Using **C++**.
- The Ticket Booking system allows customer to book ticket for their Destination. It takes User details for the Procedure. The system is **secure and Scalable**.

### My Portfolio

07/2023 - 08/2023

- Using **HTML, CSS, JAVASCRIPT**.
- Here you will experience **my works** on different **Projects** each one provide a different experience.

## Co-Curricular & Extra-Curricular Activities

- Certified on topic "**Full Stack Web Development**" from **Udemy**.
- Served as a **Anchor** representing the **college** at the **farewell event**.
- **Volunteered** for Men Cricket Tournament **organised** by RKGITM.
